Little feet, big dreams

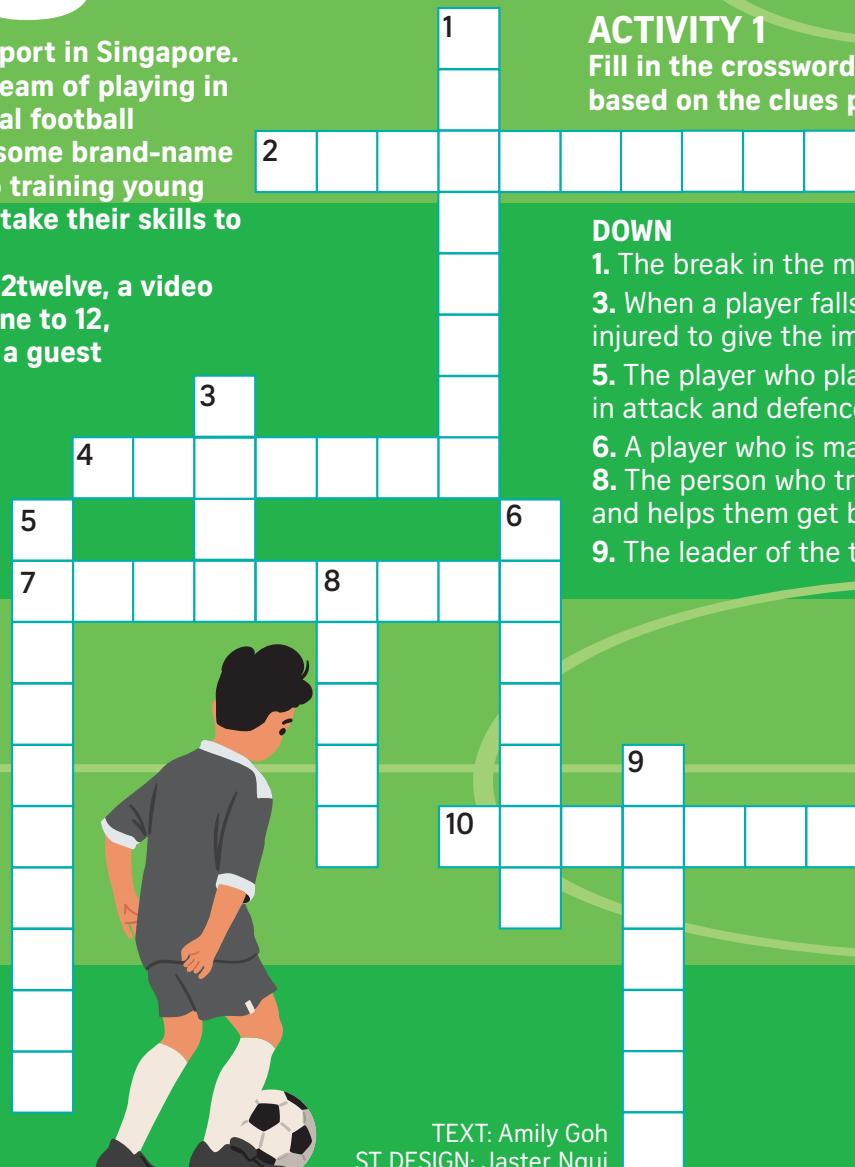

Football is a popular sport in Singapore. Many young people dream of playing in the big leagues. Several football academies, including some brand-name ones, are dedicated to training young

players, helping them take their skills to the next level.

In this episode of *nine2twelve*, a video series for kids aged nine to 12, The Straits Times and a guest reviewer visit F17 Football Academy to find out how it gets kids outdoors.

3. When a player falls to the ground and, often, pretends to be injured to give the impression that a foul has been committed.

7. To describe the act of a player who stops or takes the ball away from the other team by getting in the way of their pass or shot.
