

What happened

SINGAPORE

**Tanah Merah
ferry terminal**

3 The ferry stops for over 40 minutes. Passengers are then asked to evacuate into three life rafts lowered from the ferry. The rafts take in water and the passengers end up in the sea.

2 Ten minutes into the 45-minute journey, the ferry hits a floating object

1 Sea Prince leaves Nongsapura ferry terminal at about 7.30pm

**Nongsapura
ferry terminal**

4 After 20 minutes, small boats arrive and the passengers are taken back to Nongsapura ferry terminal. They are taken back to Singapore in another ferry. They arrive at Tanah Merah ferry terminal at 12.20am on Monday morning.

Batam
