

Key findings from car insurance claims

Did you know that...?

More than
1 in 10
accidents
happen before
the driver has
even left the
carpark.

Where you got hit?

The most common types of
accidents we get into:

41% front to rear.

Who says she can't drive?

Men are **1.4x more**
likely to get into
an accident than
women.

Rushing to start your weekend?

48% of accidents
on Fridays occur
during the post-work
rush (5.30-8pm).
Comparatively, on
Mondays, only 26%
occur during the
post-work rush.
