

# Found: Target list, bomb and rifle manuals

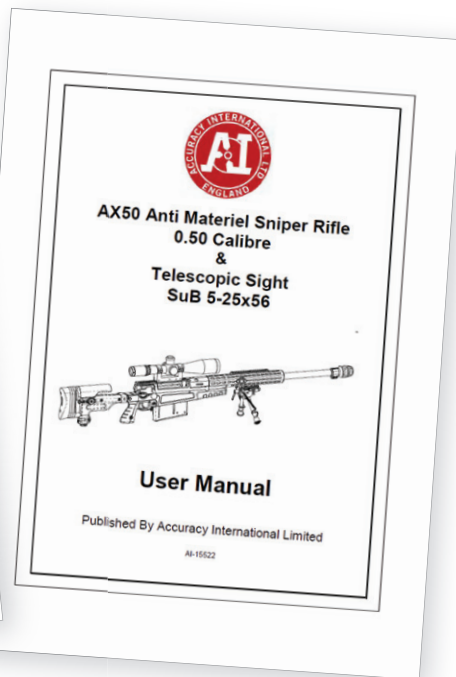

Singapore's Internal Security Department found documents on bomb-making and weapons, as well as a list of Bangladeshi targets for attack, when they arrested Rahman Mizanur, who set up the Islamic State in Bangladesh group.

Cover page of the bomb-making instruction manual found on Rahman. The Bengali text at the top right corner reads "How to make explosives through action and reaction?" The Bengali text in the middle reads "Ammunition-related Bengali research oriented book".
