WIN TICKETS TO CATCH NDP!

Share with us three original pictures that respectively depict Singapore's past, present and future, and tell us in 51 words or less how they represent your wishes for the country.

You may draw or use your own photos, and focus on any facet of Singapore – from fashion and food, to schools and playgrounds.

Upload them on Instagram with the hashtag **#myfuturesg** by July 18.

The best entries stand to win a pair of National Day Parade tickets, preview tickets or funpacks each.

Here is what ST journalist **AUDREY TAN** would like to see:

I dream of an environmentally conscious Singapore. There have already been improvements, with some fast-food chains phasing out the use of styrofoam. Paper may be a less harmful alternative, but remember – the first of the 3Rs is to reduce consumption in the first place. So remember, take along your own cup!
