

# What's new

Experience the best of The Straits Times' award-winning content with the latest ST App. The app is free to download, and all users can read stories in their entirety.

## MAKE YOUR OWN FRONT PAGE

Add up to four sections most important to you to the Home page, so that they appear on the very first page of the new ST App

### PERSONALISE

Add up to four sections on the Home page, the first page of the app

### LIVE BLOG

Follow the news live from the ST newsroom

### INSTANT:

App will preload ST print edition and e-paper on Wi-Fi so there's no waiting

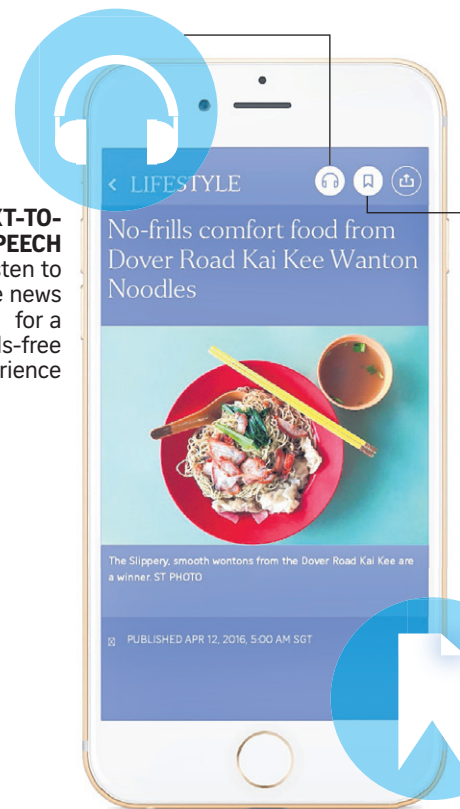

### 3D TOUCH ON IPHONE 6S AND 6S PLUS:

Press the ST App icon to access shortcuts

## LISTEN TO YOUR NEWS, AND BOOKMARK ARTICLES TO READ LATER

With the ST App's new text-to-speech feature, have the news read out to you! Also, tap on the Bookmark icon to save articles to read later

**TEXT-TO-SPEECH**  
Listen to the news for a hands-free experience

**BOOKMARK**  
Save articles to read later

**SHARE ARTICLES AND ADS** directly from the e-paper
