Thank you for making a difference in SG's life

MR. NATHAN,
You have always been a champion for the underdog and underserved community. Your passion for social causes was well-known to all SGA members. It was an honor for me to be part of the organizing committee for President's Challenge from 2005-2007. I personally witnessed your kindness, compassion, and giving heart. Thank you for touching our lives.
May You Rest in Peace.
