

Dear Mr Nathan

I still remember the day you
held my hand and asked me
to take a picture with you.

You are my favorite president.
RIP. Thank you for all your
contribution. I ♥ You.

Dear President Nathan,

Thank you for your contribution to Singapore.
Although I'm sad that you have passed, I hope you
have lived a well and fruitful life. I wait to
see you smile and I hope you do that often in heaven.

Love,
Gavin
