

# How Thursday's fatal crash happened

- 1 A private bus fails to slow down at a zebra crossing on a slip road towards Pioneer Road North.

- 2 A 47-year-old female cyclist, who had stopped just before the crossing, is hit by the oncoming bus.

- 3 The bus then uproots a small tree before careening across a three-lane road.

- 4 The bus crashes into a road divider, and hits a white BMW travelling in the opposite direction.

- 5 The impact causes the BMW to collide into a lorry in the next lane.
