

# Features of the bus

## Front staircase

To go to the upper deck.

Signs are placed throughout the bus to show commuters which staircases to use.

First door  
(Entrance)

## Second door

For passengers exiting from the lower deck.

## Rear staircase

To go down from the upper deck.

## Third door

Used only by passengers exiting the bus from the upper level.

Gantries also prevent commuters from using the rear staircase to go up to the upper level. For safety, the rear staircase is accessible only when the bus is at a stop.
