

Benefits of transferring your CPF savings to your spouse

You ensure that your spouse receives higher lifelong monthly payouts

You don't need to worry about your spouse receiving low payouts if you die first

BEFORE

Rose, 55

\$150,000 RA

Estimated monthly payout from age 65

\$1,110 - \$1,180

Alan, 55

\$40,000 RA

Estimated monthly payout from age 65

\$398 - \$419

AFTER

Rose now has

\$100,000 RA

Estimated monthly payout from age 65

\$780 - \$827

\$50,000 transfer

from Rose's CPF savings account

Alan now has

\$90,000 RA

Estimated monthly payout from age 65

\$773 - \$817

You can now transfer your CPF savings to your spouse if you have more than your Basic Retirement Sum
