### Manifesto:

Wide-ranging covering 10 points, including greater transparency within FAS, more support for youth, grassroots and women's football, developing more coaches and referees, a review of the S-League and setting high targets for the various national teams.

The expectation would be for the Lions to qualify regularly for the third round of the World Cup qualifiers, the Asian Cup Finals and to consistently win the AFF Championship while the Under-23s and cerebral palsy teams are expected to win the SEA Games and Asean Para Games respectively.
