Aug 9, Wednesday

“ My first order as President was to renovate and modernise our nuclear arsenal. It is now far stronger and more powerful than ever before. Hopefully, we will never have to use this power, but there will never be a time that we are not the most powerful nation in the world! ”

“ He (North Korean leader Kim Jong Un) is not going to go around threatening Guam and he's not going to threaten the United States and he's not going to threaten Japan, and he's not going to threaten South Korea. No, that's not a dare, as you say. That is a statement of fact. ”

Aug 11, Friday

“ Military solutions are now fully in place, locked and loaded, should North Korea act unwisely. Hopefully, Kim Jong Un will find another path! If anything happens to Guam, there's going to be big, big trouble in North Korea. ”
