cheechan's TAKE

Study: Computing courses reap the most financially in the first year of graduation

You will earn a monthly salary of $4,000.

Interview officer
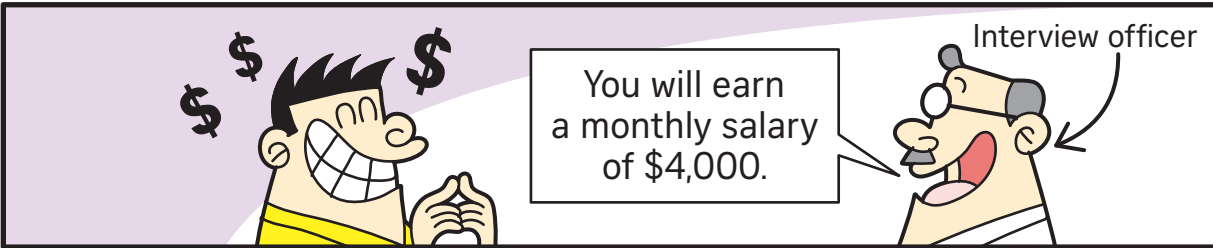

What if, after knowing that, more students go for such courses, leading to an oversupply of tech graduates?

I'll accept $3,500 a month.

I'll take $3,000!

$2,000!

$800!!
