How companies can get started

Appoint and register an SGSecure representative with the Manpower Ministry, at **www.mom.gov.sg/sgsecure**

Encourage employees to download the SGSecure app so they can receive alerts during major emergencies

Brief employees on emergency escape routes and places to hide in a terror incident

Download and display the "Run, Hide, Tell" and "Press, Tie, Tell" advisories from **www.sgsecure.sg/resources** to educate employees on how to respond during crises
