### STATE ASSEMBLY SEATS: 56

### FEDERAL PARLIAMENTARY SEATS: 22

### WHY SELANGOR IS A BATTLEGROUND STATE

- The opposition won the state handsomely in 2013, but PAS' departure from the coalition has led to concern that three-way contests will split their votebanks, and result in Barisan Nasional wins.
- Selangor is a PKR stronghold, but chief minister Azmin Ali has faced revolt by some segments who feel he should cut ties with PAS rather than empower a potential electoral opponent.
