

Evolving with the times

The five-yearly HDB Sample Household Survey, now into its 50th year and 11th edition, profiles residents and seeks their views on HDB living. Its emphasis has shifted with changing needs, and it has also helped to shape the HDB environment.

CHANGING SURVEY FOCUS OVER THE DECADES

Timeline

1960s

Shelter and quantity

1980s

Social living

2000s

Forming a community

1970s

Rise of new towns

1990s

Estate renewal

2010s

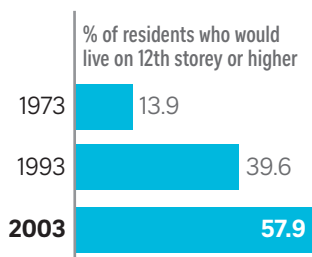

Liveability

SURVEY RESULTS SHAPE THE HDB ENVIRONMENT
