

# Three to watch

## **DELVIN GOH**

- Age: 23
- Nationality: Singaporean
- Centre: Power forward
- Height: 2.00m

Into his seventh season, the local big man with high basketball IQ has improved year-on-year, but the Slingers will still want more than the 8.26 points and 4.95 rebounds he averaged last season after rewarding him with a 12-month contract post-National Service.

## **JERRAN YOUNG**

- Age: 26
- Nationality: American
- Position: Swingman
- Height: 1.98m

A multi-dimensional athlete who can play in any of the guard or forward positions interchanging with Xavier Alexander. Look out for his spectacular dunks – Young made one in pre-season after taking off from around the free-throw line in the win over Hong Kong Eastern.

## **JOHN FIELDS**

- Age: 30
- Nationality: American
- Position: Centre
- Height: 2.06m

Younger but shorter than recent centres the Slingers have signed like Justin Howard and Christien Charles, Fields is a lot quicker, plays way above the rim, and will be very handy with rebounds as the Slingers look to him for more offensive punch and boards.
