How to book your ride

The trial of the on-demand public bus app starts on Dec 17. An algorithm will process your booking in real time and match available buses to pick you up.
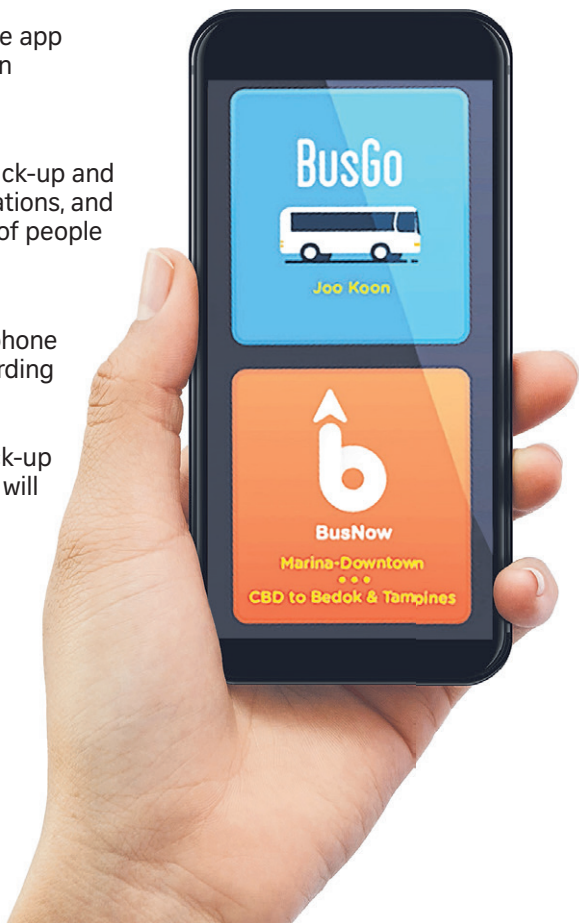

1 Download the app and create an account

2 Enter your pick-up and drop-off locations, and the number of people riding

3 Swipe your phone for an e-boarding pass when prompted. Be at the pick-up point as bus will not wait

4 Show driver pass when you board, and pay using your travel card

5 Tap out when you disembark
