

NEARLY
300

People treated at hospitals for
PMD-related accidents last year.

Even though more people were
hurt in accidents involving
bicycles, cars and motorcycles,
PMD accidents led to
proportionately more severe
injuries.

\$7,000,000

Grant for food-delivery riders affected by three-scooter footpath ban, funded by
the Government and the top three food-delivery firms. It aims to help riders
transition to bicycles, power-assist bicycles or personal mobility aids.
