

# DR MAHATHIR SAYS...

## NO KLEPTOCRACY

**Are we really the same as the Malaysia under the previous government? Or are they saying they prefer the kleptocratic government better. We don't steal money nor raise loans so as to have money for bribing people. We spend what we have.**

**On his 20-month-old government.**

## TIME NEEDED

**We are clear as to what we want to do and how we will do it. Plans may take a week or so to create, but implementation will take much longer, at least two years or more. But the work has already begun.**

**On the government's current plans and policies.**

## RETAINING SOLVENCY

**Many would say, this government is directionless. Is it? Let's look at what it has done. Despite a huge debt of well over a trillion ringgit, it apparently has been able to retain the solvency of the country.**

**On the achievements of the current administration.**
