

# Staying strong, together

Our immediate concern is to protect you and your families. We will put in every effort to slow down the spread of the virus... I am confident that together, we will stay strong, and get through these trying times.

DPM HENG SWEE KEAT

## FIGHTING THE VIRUS

# \$4b

### Stabilisation and Support Package:

To help workers stay in their jobs, businesses with cash flow, and stabilise the economy. Sectors most affected to get more help.

# \$1.6b

**Care and Support Package:** To give families additional, timely support to cope with the cost of living.

# \$800m

**Additional funding** for government agencies on the front lines of fighting the coronavirus; Health Ministry to get the bulk of this.
