

Customised features

One-time login

The tablet will require a password only upon activation, after which credentials will be saved.

Offline reading capability

The latest e-paper will be automatically downloaded when there is Wi-Fi so subscribers can read it anywhere later.

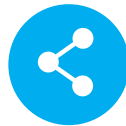

Digital news clippings

Favourite articles can be saved and sorted into digital folders.

Zoom capability

Readers can zoom in to make words or images bigger for easier reading.

Social media sharing

Individual digital articles or advertisements can be shared on social media with friends and family.

14-day news archive

Readers can read an e-paper up to two weeks after its publication date.
