

# How Jobs Support Scheme wage subsidies are calculated

Date of payment	Payment amount calculated on first \$4,600 of gross monthly wages:
Payout 1: April 2020	75% of Oct 2019 wages + 25% of Nov 2019 wages + 25% of Dec 2019 wages
Payout 2: July 2020	25% of Feb 2020 wages + 25% of March 2020 wages + (75% of April 2020 wages - 50% of Oct 2019 wages)
Payout 3: Oct 2020	25% of May 2020 wages + 25% of June 2020 wages + 25% of July 2020 wages

NOTE: Table shows basic subsidy levels for most businesses. Other than the higher April subsidy for all, wage subsidies are at 50 per cent for food services firms, and 75 per cent for tourism and aviation firms, for the other eight months of the scheme.
