

Phase 2: Critical to step up vigilance

As Singapore enters Day 12 of phase two of the reopening of the economy, the number of Covid-19 cases in the community has increased. Experts tell **Clara Chong** people need to be more vigilant to avoid a resurgence.

COMMUNITY CASES

The numbers indicate the prevalence of the virus in the community and exclude foreign workers in dormitories.

UNLINKED COMMUNITY CASES

Cases where the authorities do not know the source of infection, which is concerning.
