## Do Singaporeans tend to cater for more food

than needed while hosting parties?	
When catering for a party/gathering, I always cater food:	
For more guests than expected <b>41%</b>	For exactly the number of guests expected <b>31%</b>
1	1

For fewer quests —

How often are there leftovers of food when you cater

I tend to cater more food than what is expected because:

It is embarassing not to have enough food for the guests

for a party/gathering?

All the time **6%** Frequently **24%** 

I want to seem like a generous host

Fewer guests turned up than I expected

Guests ate less than I expected

Other reasons

I did not have a quest list

I don't cate

than expected 12%

for parties 16%

Occasionally 42%

Rarely 26%
