

# Highlights of the accord

## Elimination of tariffs

### Upon entry into force:

For **84%** of tariff lines for all Singapore products entering Britain, eg. Asian food products, electronics, pharmaceuticals and petrochemicals

### By Nov 21, 2024:

On virtually **all remaining products**, eg. selected meat and seafood produce, fruits, textiles and consumer goods

### Reduction of technical and non-tariff barriers in key sectors

Electronics, pharmaceuticals, renewable energy, vehicles and vehicle parts

### Liberal and flexible rules of origin for key exports to each other's markets

- Cars, chemicals, clothing and textiles, electronics, machinery, pharmaceuticals and petrochemicals
- Asian food products made in Singapore can also enter Britain tariff-free up to an annual quota of **350 tonnes**.

## EU & Asean cumulation

- UK and Singapore companies can continue to use European Union materials in their exports to each other's markets
- Singapore companies can also cumulate materials from Asean countries for selected products

## Enhanced market access to service sectors for Singapore firms

- Engineering, advertising, computer-related and environmental services
- Maintenance and repair of ships and aircraft, maritime transport, hotels and restaurants

## More opportunities in government procurement for Singapore companies

## Enhanced intellectual property rights
