

# Key survey findings

A total of 1,002 security officers were surveyed to track their working conditions, welfare and salary issues. Here are some of the key findings.

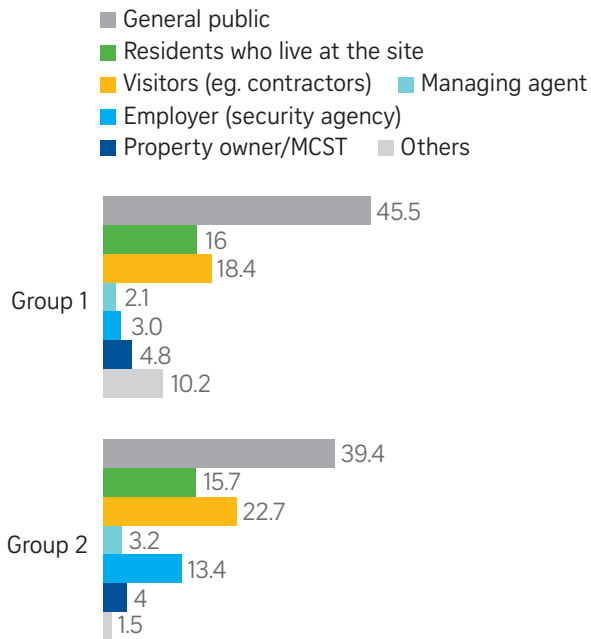

## Have you experienced any verbal or physical abuse at your workplace?

## What types of abuse do you face at your workplace?

## Who abuses you at your workplace?

NOTE: Group 1 refers to respondents in the first Union of Security Employees (USE) survey conducted between January and February last year. Group 2 refers to respondents in the second USE survey conducted between September and November last year.
