

SHN in Singapore

Cost of stay at SHN designated facility

| | Room | Suite |
|-------------|---------|--------------|
| 14-day stay | \$2,000 | From \$5,000 |
| 21-day stay | \$3,000 | From \$7,500 |

NOTE: Prices stated do not include the costs of PCR tests and laundry.

Cost of additional polymerase chain reaction (PCR) test: **\$125**

Persons serving their SHN must:

- Remain in their room at all times, and cannot use common facilities such as the pool or gym.
- Leave their room only for scheduled Covid-19 test appointments at designated testing facilities.
- Monitor themselves twice daily for fever and respiratory symptoms, and seek medical attention immediately if unwell. Individuals who breach their SHN may be prosecuted, and first-time offenders can be fined up to \$10,000, jailed for up to six months, or both.
