

# Expanding Pedra Branca

About 7ha of land around Pedra Branca, located off mainland Singapore's eastern coast, will be reclaimed. The move will enhance maritime safety and security and improve search and rescue capabilities in the area.

**Pedra Branca**

**0.9ha**

**7ha**

Current size of  
Pedra Branca (at low tide)

Area to be reclaimed (Almost **six times**  
the size of the Flower Dome conservatory)

NOTE: Works will be done within 0.5 nautical mile of Pedra Branca and in Singapore territorial waters.
